## Our Sales Areas

## History of our Company (Background to mergers and consolidation)

# Communication Tools

Through the timely and appropriate disclosure of information, we seek to be a company that is correctly understood and trusted by all of our stakeholders. We report financial information primarily using various IR tools, while reporting ESG information (non-financial information concerning the environment, society, and governance), the target of much attention in recent years, primarily through our CSV Report. We also report wide-ranging corporate information on our website.

## IR tools

Our IR tools report primarily financial information for our investors.

ANNUAL REVIEW

TO OUR SHAREHOLDERS

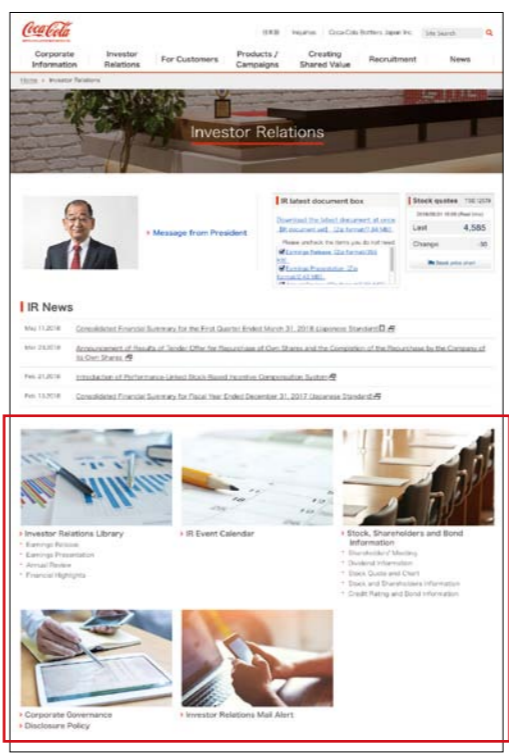

## CSV Report

We communicate information concerning sustainability to our stakeholders.

## Website for shareholders and investors
