Notice on the application to delist CCBJH's common stock for trading on Fukuoka Stock Exchange

Please be informed that CCBJH Board of Directors has reached a decision in its meeting convened today to apply for delisting of the company's common stock currently listed for trading on Fukuoka Stock Exchange.

1. Reason for applying for delisting

The decision to apply for delisting of CCBJH's common stock currently listed for trading on Fukuoka Stock Exchange has been based on the following rationale:

- The trade volume of CCBJH's common stocks on Fukuoka Stock Exchange is very small.
- Considering this low volume, delisting will not impact the shareholders and investors to any great extent.
- Delisting will lead to cost savings realized through rationalization of administrative duties and elimination of redundant listings.

2. Current listings other than Fukuoka Stock Exchange

Tokyo Stock Exchange

3. Date of application for delisting

Currently planning to apply by the end of May 2020.

4. Future outlook

When the required documents for delisting we submit to Fukuoka Stock Exchange are accepted and fully processed internally by Fukuoka Stock Exchange, CCBJH's common stock, in principle, will be formally delisted in one month counting from the day when it is specified as delisted stock by Fukuoka Stock Exchange.
