Dear All,

Issuing new “CSV Report 2019”!

For the achievement of CSV (Creating Shared Value)

~Initiatives on ESG (environment, society, governance) that align with SDGs~

Coca-Cola Bottlers Japan Holdings Inc. (headquartered in Minato-ku, Tokyo; headed by Representative Director & President Calin Dragan; hereafter “CCBJH”) has announced that it has compiled its initiatives that align with the Sustainable Development Goals (SDGs) in a document issued as the new CSV Report 2019 and disclosed it in its official website (<https://www.ccbji.co.jp/csv/doc.php>) on Friday, June 28.

CCBJH believes that the company is responsible of addressing the social issues as its business grows larger in scale. The United Nations positions corporate organizations (i.e. companies) as one of the key entities that should take actions towards resolving the social issues to achieve the “Sustainable Development Goals (SDGs)” established in 2015. CCBJH Group perceives “CSV (Creating Shared Value)” as a key driver of its business management and is promoting group-wide actions to contribute to the realization of sustainable future.

The report focuses on 3 priorities; “Health”, “Environment”, “Community” that are particularly relevant to CCBJH’s business activities, as well as on 5 other important aspects: “Customer Satisfaction”, “Quality assurance”, “Ethics & Compliance”, “Risk Management”, and “Respect of Human Rights and Job Satisfaction”.

【CSV Report 2019 features】

1. In order to help a wider range of stakeholders to gain a full understanding of the initiatives set forth by the CCBJH Group, the report has been formatted to cover all the initiatives with consideration to keep the description of each initiative concise with minimum required information.
2. While reflecting CCBJH Group’s determination to incorporate into its corporate management the concept of Creating Shared Value (CSV) that the group has developed in accordance with the “Sustainable Development Goals (SDGs)” defined in the United Nations, CSV Report 2019 places special emphasis on introducing the initiatives mainly focused on “Health”, “Environment”, and “Community” that CCBJH Group is promoting as high-priority areas.
